That dancing ray of sunshine that is seen passing through the halls is none other than Betty, one of our blue-eyed beauties. We know some who prefer blondes, but who one can resist those come-hither eyes of Betty's? Her home is in Shirley but Gardner seems to have some attraction for her.

Ken has "a way with her." We may partly explain it by saying that her interests and activities have been many and in wide variety,—art, athletics, music and others; her sunny disposition and love for active drive away any gloom that may be present. Or else, she may have kissed the Blarney Stone.
